

The National Endowment for the Arts is the only funder, public or private, that supports the arts in all 50 states in the United States.

IN THE PAST 5 YEARS...

The National Endowment for the Arts distributed more than **\$45,576,000** in grants in **California**.

Blue Star Museums. Photo by Debra Huskin

In one year alone...

- Arts and cultural production in California added **8.2% or \$230.3 billion** to the state's economy.
- California's arts and cultural industries employed **764,100** workers. These workers earned wages and benefits totaling over **\$95.9 billion**.
- **46.8%** of California's adults attended live music, theater, or dance performances, while **24.8%** attended art exhibits.

National Endowment for the Arts Programs from FY17-FY19

Blue Star Museums program provided free admission to thousands of active military personnel and their families at **428 participating museums** in California.

Poetry Out Loud program provided opportunities for over **85,698 students** attending **825 high schools** in California to appreciate—through study, memorization, and public recitation—great poetry.

The **NEA Big Read** program generated **1,200** community events focused on reading outstanding American literature and involving more than **93,660** adults and students in California.

Shakespeare in American Communities program in California enabled schools to offer children the opportunity to see free live professional performances of Shakespeare.

Creative Forces program is expanding access to creative arts therapies and arts engagement opportunities for injured service members, veterans, and their families and caregivers. **Marine Corps Base Camp Pendleton** is participating in this innovative program.
